From Ovation Award-winning writer Meghan Brown, *The Kill or Dies* opens on November 14th, and will be directed by Darin Anthony. Karina Wolfe, Megan Kathleen Duffy, Daniel Dorr and Rob Nagle are set to star.

Synopsis: When Maggie calls in a favor, shut-in Chelsea can't say no. Besides, how hard is it to switch bags with a stranger at the bar, especially when you don't know what's inside? But when Maggie's boyfriend Billy shows up looking for the missing bag, the night takes a dark turn, forcing Chelsea to call into question everything she thought she knew. Written by last year's Ovation Award winning playwright Meghan Brown, *The Kill-or-Dies* is a darkly comic exploration of friendship, love, and the heart rate of hummingbirds.
